*Water Fall currently seeking NSF certification. Internal tests show filter to meet NSF 42 standards for removal of chlorine, taste and odor and chloramines for up to 80 gallons.

IF BOTTLES COULD TALK - A KOR GUIDE

OUR BOTTLES MIGHT JUST DESCRIBE THEMSELVES AS FOLLOWS:

CAPSULE

Fashion Forward

I'm not just the latest-and-greatest trend, I'm the fashion icon with timeless style. Think the Coco Chanel of water bottles.

NAVA

FILTERED DESIGN

Call me the triple threat: I make water look good, taste good and I help the planet. I'm the bottle water killer.

SPORT

THE ATHLETE IN YOU

The Easy-Flow™ spout and straw chamber speed flow from bottle to body, allowing you to save your energy for your workout.

ONE

MAKE A STATEMENT

My smooth lines, prominent size and Award-winning design, make me the perfect bottle.

DELTA

MORE IS MORE

My locking latched closure, rounded shape and smaller stature make me the over-achieving cousin of KOR ONE.

AURA

Simplicity Wins

My PerfectSpout™ clean lines and easy-to-clean build make me a faithful and loyal companion.

VIDA

Confident and Sleek

My steel frame and PerfectSpout™ make me the strong silent one you can't take your eyes (or mouth) off of.

RETAIL DISPLAYS

KOR counter top displays are made of recycled cardboard and comes with a slip-on header backing, but it can also stand without the backing if desired.

All styles and sizes 12 units 1 lb. 27" x 20.5" x 1.5"

The freestanding floorstand display is made from enameled steel and is easily configurable for one or two-sided. Extremely light and easy to move around, yet strong enough to withstand light to medium impact.

All styles and sizes
64 units (one-sided) or 128 units
(double-sided) 21.6 lb 23.62" x 19.68" x 65"

PRODUCT FEATURES

COCOPURA FILTER: Carbon activated filter made from 100% pure coconut shell. Tested to exceed NSF 42 standards for chlorine taste and odor removal.

CUSHIONED BASE: Protects furniture and prevents slipping on flat surfaces with its soft, rubber base.

EASYFLOW™: Other filtering bottles make you squeeze, bite or suck to drink. KOR's EasyFlow simply allows you to sip naturally as you would from a straw.

EASY CLEAN, EASY FILL: Convenient flip-top lid that twists off to reveal a larger opening. Makes cleaning with a bottle brush or filling with water or ice cubes easier.

ERGO-COMFORT: Sleek designs that are comfortable and natural to hold. Integrated ergonomic handles make carrying extremely simple.

HYGIENIC SPOUT: Most bottles force you to drink from an exposed surface, but our covered cap completely protects the spout from outside germs and particles when not used.

PERFECTFIT™ MOUTHPIECE: Shaped to rest naturally on your lips. Designed for optimal water flow.

PERFECT SPOUT™: An exclusive, threadless spout that is large enough for chugging and inserting most ice cubes, yet small enough to minimize splashing.

KOR STONES™: Made of real stones, these disc-shaped tokens display a moving message that provides a bit of personal inspiration with each sip.

NO-WORRY CAP™: An attached cap that swivels open with a press of a button and a twist of the wrist, then stays out of your way while you drink. No worrying about losing the cap.

PRESS = MEDIA

KOR's hydration products have made water, and the person drinking it, the center of attention. Our passion for remarkable design has led to numerous accolades and awards in the US and around the world.
